

As a leading reinsurance intermediary in Asia, we work on behalf of insurance companies and our business partners to facilitate negotiation and placement of facultative reinsurance programs. We have a dedicated team of specialists in area of facultative reinsurance to service the full range of **Financial and Casualty** risk insurance products. In today's continually changing environment, our facultative reinsurance placement team has the necessary skills and expertise to manage all out clients' facultative requirements. Our team is based in Singapore, the reinsurance hub of Asia, and with access to the full range of carriers, J B Boda provides effective and efficient facultative transactions.
