FACILITATOR
Ms.Rajaa Bokhari

Rajaa Bokhari is an ESG and sustainability professional with experience across corporate and policy-facing environments. She currently serves as Senior Manager – Sustainability, Social Impact & Corporate Communications at EFU Life, where she leads ESG strategy, reporting, and stakeholder engagement aligned with ISSB (IFRS S1 & S2), GRI, SDGs, SECP requirements, and other leading frameworks. Prior to joining EFU Life, she spent four years at the Pakistan Business Council's Centre of Excellence in Responsible Business, working extensively on responsible business practices, ESG integration, and private-sector capacity building. Her work bridges global sustainability frameworks with local regulatory and business realities. As an ESG trainer, she brings a practical, implementation-focused perspective informed by both advisory and in-house experience.
