🚀*The Journey of Excellence Continues*! *Diploma in Takaful – Batch III is Now Open for Enrollment*!

Following the successful conclusion of the Diploma in Takaful – Batch II, offered by the Pakistan Institute of Insurance (PII) in collaboration with IBA Centre for Excellence in Islamic Finance (IBA CEIF), we extend our sincere appreciation to the insurance companies for their continued support, encouragement, and contribution, which played a vital role in making the previous batches a success. Building on this achievement and the continued collaboration, we are excited to announce the launch of Batch III!

As Takaful continues to gain momentum and reshape the Islamic financial services landscape, the need for skilled professionals with specialized knowledge and practical insights has never been greater.

🎯Why Join the Diploma in Takaful?

Develop a strong understanding of Takaful principles and practices.
Gain valuable insights into the Islamic insurance industry.
Enhance your professional knowledge and career opportunities.
Learn through an industry-focused programme backed by two prestigious institutions.

Whether you are an insurance professional, a finance enthusiast, a fresh graduate, or someone looking to explore the growing world of Islamic finance, this programme is an excellent opportunity to take the next step.

🌟Be part of the next cohort. Invest in your knowledge. Shape the future of Takaful!

📣Admissions for Batch III are now open!

Take this opportunity to learn, grow, and become part of the evolving Takaful industry.
